

Dear Margaret,

We are writing this letter to commend you and your team in regards to the exceptional experience we had when it came to "Margaret Bland Realty" selling our house. We cannot remember a time when we have ever had the pleasure to work with such remarkable real estate agents, who have showed high work ethic and were always courteous, patient and perhaps most importantly professional.

Margaret, you were very clear and helpful in your recommendations on what we needed to do to prepare our home for sale. This really helped us to capture the market's attention. However your thorough follow up with all the parties and your persistence helped us get a good offer on our house that had gone above and beyond our reasonable expectations. For that we are very grateful.

To surmise it was an absolute pleasure to work with you and your team.

Sincerely,

Luvashi & Nish
