

What people are saying about Margaret Bland Realty

We really appreciated your constant feedback and would have no hesitation in recommending your services to anyone wishing to sell their home. We were so pleased we placed our home with Margaret Bland Realty where we received personalised services through initial inspection, open and private inspections, auction to feed-back on potential purchasers.

Lorraine & Barry Fredrickson

No question was too trivial, no task too much and the advice and guidance we received was very much appreciated. In particular we would like to thank Margaret for making us feel "special" and guiding us through the sales process.

Michael and Minnette Rummel

You as principal of the Agency were always involved with every detail and we were impressed with your energy, enthusiasm, friendly down to earth attitude and total professionalism. We always felt you were doing everything possible to obtain the best result for us, not just making a sale.

Peter & Vera Norton

The dedication to your work is truly commendable, your personal attention and not to mention your precious time, has been greatly appreciated during the process of buying and selling our home. You and your team are true professionals in your field and we thank you for your constant advise, guidance, openness and honesty during this whole process.

Kerry and Jeff Tighe

Your professionalism and dedication is second to none...What I liked most about your service is your attention to detail and the fact that you kept me informed of everything that happened, from your initial inspection, advertising, open for inspections and potential purchasers.
